Hi everyone,

Attached are updated files of the manuscript and the SM.

In these files I have tried to address the more substantive comments. In the manuscript, additions are in yellow highlight.

## Ex. 5 Deliberative Process (DP)

Also, I moved the isomer discussion from the manuscript to the SM.

In the SM, I added the current version of the Italian water-sample mass chromatogram.

## Ex. 5 Deliberative Process (DP)

I will see if there appears to be a good time to conference this week. I am away from work next week.

I am trying to ship both files in one email. If I get a reject from a recipient, will repeat in two emails.

John
